

Health Care Network Reception

Dr. Ellen H. Yankellow's opening speech from the 149th Congress of Correction Healthcare Network Reception

149TH CONGRESS OF CORRECTION

Good evening everyone and thank you for joining us at the Health Care Network Reception for ACA's 149th Congress of Correction. I am Dr. Ellen H. Yankellow, President and CEO at Correct Rx Pharmacy Services, and I am delighted to see everyone.

Correct Rx has been sponsoring these receptions since 2008. The ACA conference provides a wonderful opportunity for us to network and share best practices.

I am proud to be part of this organization. ACA has been at the forefront of leading and embracing change over the years. This is best demonstrated by our focus on community corrections and our significant investment in reentry programs. We are all committed to making a positive difference in the lives of our returning citizens. This is where implementing best practices really works.

I would like to congratulate Mr. David Donahue and Dr. Mary Livers for being honored with the E.R. Cass Award. It has been my honor and pleasure to know and to have worked with both David and Mary for many years. And I am delighted to see them receive this award.

I would also like to take a moment to introduce the Correct Rx team attending ACA with me:

- Martin Yankellow, Vice President, leads Correct Rx as the Director of Regulatory Affairs Department and anything else I need.
- Bob Matthews joined our team in 2010 and is our Vice President of Marketing. Many of you know Bob from his long career at the Federal Bureau of Prisons.
- John Nattans, Vice President Program Management is a great ambassador for Correct Rx.
- David Kuper, our Corporate Sales Manager. This is David's first time at ACA, if you have not met David yet please take time to introduce yourself.

We hope you will have time to visit us at our exhibit Booth 501. Have a wonderful time at the conference. I hope you'll have an opportunity to do a little sightseeing in our wonderful host city Boston.

Thank you for joining us this evening. Please enjoy the refreshments.
